### 1989 Toyota Corolla Replacement Engine Parts - CARiD.com

The Corolla E90 was the sixth generation of cars sold by Toyota under the Corolla nameplate. In general, all models departed from the previous generation's boxy styling for a more contemporary look and improved aerodynamics. The performance option of rear-wheel drive was dropped after 1987, with all Corollas front-wheel drive from 1987, with E90 production beginning in May 1987.
