### **A Good Financial Advisor Will**

**In A Good Financial Advisor Will Tell You...**, authors Jeremy Kisner, CFP and Robert Luna, CIMA answer these common concerns and reveal what people really need to know to make better financial and investment decisions. Rather than write another boring book that explains stocks and mutual funds, the authors explore behavioral finance-the reasons why people make investing mistakes-and they teach readers how to avoid doing the same.

## **10 Questions To Ask When Choosing A Financial Advisor**

There is a certain irony when you select a financial advisor. The best may have less than stellar personalities, whereas bad financial advisors can be very relatable. That's because many of the really good advisors are intellectual, quantitative and analytical by nature. They may be better with numbers than they are with people.

## **Good Friends Can Be Bad Financial Advisors - Beware!**

A financial advisor's value depends on what they bring to your financial life. If you don't have a lot of assets to manage, it might be better to try to manage them yourself or use a robo-advisor.
