Some modern forms of Paganism have their roots in 19th century C.E. European nationalism (including the British Order of Druids), but most contemporary Pagan groups trace their immediate organizational roots to the 1960s and have an emphasis on archetypal psychology and a spiritual interest in nature.

Who are Pagans? The History and Beliefs of Paganism

Paganism is a term first used in the fourth century by early Christians for people in the Roman Empire who practiced polytheism. This was either because they were increasingly rural and provincial relative to the Christian population, or because they were not milites Christi. Alternate terms in Christian texts for the same group were hellene, gentile, and heathen. Ritual sacrifice was an integral part of ancient Graeco-Roman religion and was regarded as an indication of whether a person was paga
