The Great Depression was a severe worldwide economic depression that took place mostly during the 1930s, beginning in the United States. The timing of the Great Depression varied across the world; in most countries, it started in 1929 and lasted until the late 1930s. It was the longest, deepest, and most widespread depression of the 20th

The Great Depression, which lasted from 1929 to 1941, was a severe economic downturn caused by an overly-confident, over-extended stock market and a drought that struck the South. In an attempt to end the Great Depression, the U.S. government took unprecedented direct action to help stimulate the economy.
