I'm not sure what the controls look like on your machine, but this manual may be similar - it is a clone for a different Admiral model: Zojirushi BBCC - V20 Bread Machine Manual. Bread machines all work basically the same - the main thing to know is the size of your machine and how to use the controls. Some call for liquid ingredients first, others for dry first - you can experiment with which works best in yours.

A bread machine can complete the full bread-making process, from mixing to kneading, to rising, to baking. Just place the ingredients in the machine's bread pan and walk away. In two to three hours you will have freshly baked bread. But this countertop appliance can also make a lot more than just loaves of bread, from pizza dough, cinnamon rolls, hamburger and hot dog buns, and even doughnuts.
