Timex User Manuals

The same input connector can be assigned to multiple input sources. For example, assign the same HDMI input connector to multiple sources to use each input source in combination with analog or digital audio as you prefer. In such cases, set the audio connector for playback in "INPUT MODE". (This feature will be supported via firmware update.)

Input Assign NR1710

The Insignia Optical/ Coaxial Digital to Analog Converter saved me over \$300+. Here's how: I own an older 5.1 audio system and recently bought a new 4K HDTV which doesn't have / support RCA red & white audio without going optical cable out from tv through this device to the stereo.
