User manual Apple iPhone 8 Plus (510 pages)
Section 1 of the man pages covers command-line tools, section 2 covers system calls, section 3 covers user-space libraries, and so on. If you don't specify a section, man displays the page from the first section that has a matching entry. For example, the following command displays the man page for the open command-line tool.

Reading UNIX Manual Pages - Apple Developer
Great manual Typical of Apple they've thought of about everything. Well organized, written and illustrated, the handy Apple Watch guide is going to be my #1 resource to learn about the operation of my new watch. Apple MUST spend an equal amount of resources on writing their guides as the do developing their merchandise. Bravo! Well done.
