### As Seen Exhibitions That Made

“For those who are interested in the expression of the theoretical and avant-garde design concepts through exhibitions (which seems to be a growing number, considering the recent explosion of biennales and triennials around the world), As Seen: Exhibitions that Made Architecture and Design History is the closest thing to a textbook on the subject.”—Matthew Messner, Architect’s Newspaper

### As Seen: Exhibitions that Made Architecture and Design ...

As Seen is an ongoing research project that looks at the influence of architecture and design exhibitions years after their closing. The selection presented in As Seen focuses on 11 group exhibitions from 1956 to 2006, organized by a wide range of architecture and design professionals. Through varied approaches, these exhibitions reflected on then-current dilemmas, identified alternatives to prevailing practices, and reasserted design’s implications for everyday life.

But as this exhibition shows, Katz has made many small paintings, which have been seen to a much lesser degree. On display are twenty-two small paintings, not larger than 12 x 16 inches (30.5 x 41.6 cm), depicting portraits, landscapes and flower scenes. Katz has a close connection with his subjects - the portraits are of family and friends ...
