What is an assisted autobiography? It is model of analysis and production of life stories, developed by Rom Harr, the model is useful because of its pragmatism and its systematic methods.Harr defines it as one of three paths to knowledge society.

assisted autobiography | Epistemology | Psychology ...

An autobiography is defined as a book about a person's life written by the person himself/herself. William Taylor first used the term ‘autobiography’ although deprecatingly. According to him, autobiography was a hybrid word. A poet named Robert Southey used the word autobiography, in its current form, in 1809.

A Book Review: John Stockton's "Assisted" - SLC Dunk

Great autobiography by one of my favorite NBA players. There are no deep, dark secrets or controversial stories told within. It is simply his take on his rise to NBA fame and what he went through to maintain his family life. This book proves Stockton is the person us fans always hoped he was, humble and human. Can not recommend this book enough!
