Ati Fundamentals Study Guide

ATI Ch 50. Diabetes mellitus: mixing insulin. When mixing short-acting insulin with longer-acting insulin, draw the short-acting insulin up into the syringe first, then the longer-acting insulin. This prevents the possibility of accidentally injecting some of the longer-acting insulin into the shorter-acting insulin vial.

pass it, as it's a decent portion of our grade. The practice test made me feel like garbage though and we take it in a week and a half.

Tips to pass Fundamentals ATI test? : StudentNurse

I took my ATI Fundamentals exam about three weeks ago and got a Level 3...the highest level. I split the book up and read so many chapters a night, did the ATI questions in the book as well as the practice exams my school put out for us to do. The night before the exam I went back thru the book and read areas I had highlighted for a quick review.
