AutoCAD® 2013 provides us with many tools to aid the construction of our designs. For example, the GRID and SNAP MODE options can be used to get a visual reference as to the size of objects and learn to restrict the movement of the cursor to a set increment on the screen. The GRID and SNAP MODE options can be turned ON or OFF through the Status Bar.

AutoCAD 2013 lets you create 2D drawing views of specific items selected from an assembly. When importing Inventor models, at first it seems that you can't select the individual components within the imported assembly, but there is a trick. AutoCAD 2013 imports an Inventor assembly as a block consisting of all the individual parts.
