Acne carries a pretty hefty stigma, it's no joke. If you've got a spot and your sisters cousins uncle sees it, you best believe they've got something to say about it as well. I've personally heard it all from "just wash your face" and "don't worry and it'll go away" to "quit wearing makeup and your skin will clear up". While I can't write a blog post about every single acne myth I've ever had ...
