If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book.

Black Friday The True Story

It goes something like this: For years, tryptophan-happy shoppers would flood local shops and malls the day after Thanksgiving, and that surge in spending was enough to put retailers "in the black" for the year. Therefore, the Friday following Thanksgiving was dubbed "Black Friday," and it became the unofficial start of the holiday shopping season.

Black Friday History: The Dark True Story Behind The Name ...

The first recorded use of the term "Black Friday" was applied not to holiday shopping but to financial crisis: specifically, the crash of the U.S. gold market on September 24, 1869.

What's the Real History of Black Friday? - HISTORY

Black Friday: The True Story of the Bombay Bomb Blasts is a 2002 Indian non-fiction crime novel written by journalist Hussain Zaidi. It retraces the events that led to the 1993 Bombay bombings and the investigation that followed. It was first published by Penguin Books in 2002 and later in 2008.

In the 1950s, factory managers first started referring to the Friday after Thanksgiving as Black Friday because so many of their workers decided to falsely call in sick, thus extending the holiday weekend. About 10 years later, Black Friday was used by Philadelphia traffic cops to describe the day after Thanksgiving because they had to work 12-hour shifts in terrible traffic. Soon, the term caught on among shoppers and merchants in Philadelphia, and from there it took off nationwide.
