The Witcher, Geralt of Rivia, becomes the guardian of Ciri, surviving heiress of a bloody revolution and prophesied savior of the world, in the first novel of the New York Times bestselling series that inspired the Netflix show and the hit video games. For over a century, humans, dwarves, gnomes, and elves have lived together in relative peace.

Blood of Elves (Witcher Series #1) by Andrzej Sapkowski ...

"Blood of Elves" continues the Witcher series and is the first true novel in it. Though every bit as readable and poignant as the earlier tales, the novel lacks much of the punch as the short stories that preceded it. That's to be expected to some degree, given the longer-form approach of the novel format.

Blood of Elves (The Witcher (1)): Sapkowski, Andrzej ...

"Blood of Elves", the third book in "The Witcher" series, is the first full length novel. I recommend reading the two short story collections first ("The Last Wish" and "The Sword of Destiny") as they are linked together to form the background for this book.
