But if history is your interest, especially the psychology of why things happened as they did, you will find The Gods of Eden as fascinating and well-researched as any college textbook. Bramley walks us in painstaking detail through the events of human civilization--the politics, the religions, the wars, the cultural upheavals--beginning circa ...

### **Amazon.com: The Gods of Eden (9780380718078): Bramley ...**

The Gods of Eden by William Bramley is a relatively old book written in 1989. It is interesting to note that his purpose was to search the origins of human warfare and not to write this kind of book. Something that is supported by the fact that he hasn't written anything else since then. I read the book about 8 months ago.

### **Gods of Eden - Books - Inner Traditions**

The Gods of Eden is a well-researched look into human history, and into the phenomenon known as UFOs that has been there with us. This is perhaps the best book if you are wondering if everything you've been taught about our history may not be the whole story. Buy The Gods of Eden at amazon.com. You might be interested in my reviews of these books:

### **The Gods of Eden - The Seeker Books**

Bramley contends in his book, The Gods of Eden, that aliens, via their elite and ultra-secret Brotherhood organizations, are the source of all human conflict. If one really thinks about this, it sounds suspiciously like that old refrain children use when they have done something bad- "the devil made me do it!".

### **Gods of Eden - William Bramley**

There has been a little confusion between my book and two other works with a similar title. My book, The Gods of Eden was first published in 1989. In 2002, Andrew Collins published a book that he titled Gods of Eden which is on a different topic. In 2007, a set of lectures was released on CD titled Gods of Eden by Ramtha (J.Z. Knight). Each is a separate work by unaffiliated authors.

## **The Gods of Eden Q&A - William Bramley, Author**

Discusses the thesis put forward by William Bramley in his book 'The Gods of Eden' that the basic cause of war, genocide and conflict in history is not a viciousness innate in the human species but rather is the less-than-benevolent interference in human affairs by extraterrestrials. The Gods of Eden

### **Los Dioses del Eden - The Gods Of Eden**

About his book, Gods of Eden, Bramley says: "I resumed my writing career at age twenty-six when I began the research that would culminate in my first book The Gods of Eden. I was still a college kid at heart with a penchant for digging into things and learning about the world, and that kept me at the task for seven years part-time.
