is one of the publishing industry's leading distributors, providing a comprehensive and impressively high-quality range of fulfilment and print services, online book reading and download.

Botanica V Document

Botanic vs. botanical For the adjective meaning of or relating to botany or the cultivation of plants, botanic and botanical are both acceptable, and there is no difference between them, but botanical is more common in 21st-century English. Botanic was more common up to the 20th century but has gradually faded out of use.

How to Use Botanic vs. botanical Correctly - Grammarist

The journal publishes research papers dealing with wide range of issues related to general botany and experimental plant research including fungi, bacteria and phytoviruses. Botanica(the former Botanica Lithuanica ISSN 2029-932X) is a biannual, open access scientific journal of Nature Research Centre (Vilnius, Lithuania) established in 1995.

A botánica (often written botanica and less commonly known as a hierbería or botica) is a religious goods store. The name botánica is Spanish and translates as "botany" or "plant store," referring to these establishments' function as dispensaries of medicinal herbs. Botánicas are common in many Hispanic American countries and Latino communities around the world.
