" Boy Racer is a fascinating ride to the top of professional cycling from humble beginnings. The book totally changed my perspective on Cavendish, and will do the same (for better or for worse) for any cycling fan that sits down and gives Boy Racer a chance. Cavendish's true personality shines through every one of the 352 pages."

BOY RACER by Mark Cavendish was written in 2009 after his initial success in the 2008 Tour De France. While I acknowledged Cavendish's ability to win racers, the race coverage and his interviews had left me with a dislike of his arrogant attitude. Also his easy-looking sprint wins often took the joy out of watching close competitive races.
