Chemistry If8766 Charles Law Answer Key [PDF, EPUB EBOOK]

Boyle's law states that

Get Free Boyles Law Chemistry

If8766

the pressure of an ideal gas increases as its container volume decreases. Chemist and physicist Robert Boyle published the law in 1662. The gas law is sometimes called Mariotte's law or the Boyle-Mariotte law because French physicist Edme Mariotte independently discovered the same law in 1679.
