After working for a year in sales for various manufacturers of computers, Flynn joined the Brady Co. to develop their understanding of the hardware and programming. Upon learning that the training program and strict Brady intensively competitive - usually less than one-third of new recruits to complete it - Flynn and other recruits begin to help each other, although prohibited in the beginning to do it.

Brady Training Program Case Solution And Analysis, HBR ...

The fact that Brady ran so many times for presidency, despite repeatedly losing the race, shows how important personal fame was to him. Brady would rather run and lose than let anyone else have a chance at winning. That need for adoration, as well as the anger that results from his unrealized life dreams, are what define Brady's character.
