### MeByDesign | Interior Design ... - Visibility & Business

No need to be literal (as in...a house logo for a residential interior designer) but keep your eye on the ball when making visual branding decisions. One more thought before we move on: A logo should look good on the tiniest little business card and also work well when scaled up for a huge banner at a trade show.

### Branding for Interior Designers [What You Need and Why]

If you don't have an interior design brand identity to grab your dream clients' attention, you're gonna find it extremely hard to stake your place as the go-to designer. Branding is where the visual parts of your business and the message part of your business merge to create the promise of an experience that your client will have with you.
