British Museum Is Falling Down

The British Museum is Falling Down is a comic novel by British author David Lodge about a 25-year-old poverty-stricken student of English literature who, rather than work on his thesis (entitled "The Structure of Long Sentences in Three Modern English Novels") in the reading room of the British Museum, is distracted time and again from his work and who gets into all kinds of trouble instead.

The British Museum Is Falling Down - Wikipedia

The British Museum is Falling Down: timidly parodical, quirky British humor mimicking Modern literary styles while betraying scrumpy style of its own. Faintly quaint, or quaintly faint. A cross-pollination of problems attendant upon questions of human fertility, religion and esoteric literary research that is perfectly appealing if that particular three-way intersection holds out a compelling interest.

The British Museum Is Falling Down by David Lodge

The British Museum is Falling Down, published in 1965, is the book in which David Lodge seems to have found his metier -- the comic novel. It also reflects Lodge's Catholicism (as with his later books) -- in this case particularly the frustrations of sincere Roman Catholics with the Church's prohibition on birth control.

David Lodge | Open Library

The British Museum Is Falling Down (1965), a departure from his earlier realism, is a slapstick farce on a serious ethical topic—the Roman Catholic ban on artificial birth control. The novel chronicles a day in the life of Adam Appleby, a graduate student who is preoccupied with the thought that the Vatican-approved "rhythm method" may have failed again and that his wife may be pregnant with their fourth child.
