Buying Military Transformation Technological Innovation

A series of military analysts have argued that major social and economic changes, like the shift from the Agricultural Age to the Industrial Age, inherently force related changes in the military. Buying Military Transformation undermines this technologically determinist claim: commercial innovation does not directly determine military innovation; instead, political leadership and military organizations choose the trajectory of defense investment. Militaries should invest in new technology in ...

Contents : Buying Military Transformation Technological ...

This is an intriguing addition to the literature on military innovation. Dombrowski and Gholz test the hypothesis that the transformation of U.S. military capabilities will require a transformation of the defense industrial base, as stolid old corporations are displaced by more agile and entrepreneurial firms steeped in the culture of the information economy.
