California Family Laws. Welcome to FindLaw's California Family Laws section, with useful and constantly updated information about such topics as marriage, divorce, adoption, child support, and child custody. Many of these laws are similar to those of other states, with some minor differences. For instance, California does not require a blood test or a waiting period for couples wishing to get married, as many other states do.

California Family Law Handbook for Paralegals [5/25/2016 ...

California law does not require that each employer publish an employee handbook. However, regulations under the CFRA provide that if a covered employer does publish an employee handbook that describes other kinds of personal or disability leaves available to employees, it must include a description of CFRA leave in its handbook.
