"Dr. Seuss' The Cat in the Hat" is a triumph above all of production design. That's partly because the production design is so good, partly because the movie is so disappointing. It's another overwrought clunker like "How the Grinch Stole Christmas," all effects and stunts and CGI and prosthetics, with no room for lightness and joy. Poor Dr. Seuss, whose fragile wonderments have been crushed ...

The great thing about the irrepressibly anarchic Cat in the Hat is that even Hollywood can't contain him. They can stretch out the story with filler that ranges from the superfluous to the distracting and once in a while reaches the level of oh-no-not-that-again. But every time the Cat takes over, it is entertaining.
