Chapter 2. CALIFORNIA STATE UNIVERSITY, SACRAMENTO. Department of Economics. Economics 145 Prof. Yang. Chapter 2 Research Procedures. In Chapter 1, we covered the basic concepts of research in economics first by reviewing key terms in research and the roles of theory and data in the study of economics. We noted that the study of economics proceeds within the framework of scientific methods and we engaged in a general discussion of scientific method before moving on to a discussion of various ...

Qualitative Research Design: Chapter 2. In this chapter, Maxwell focuses on the importance of having a clear understanding of the goals of your research, as they are an important part of the research design and justification of your research. Maxwell refers to goals in the broadest sense including “motives, desires, and purposes” of your research. He states that goals serve two important purposes: 1) “They help guide your design decision to ensure that your study is worth doing, that ...
