### Balancing Equations Practice Worksheet

Balancing equations is one of those iconic subjects that is synonymous with chemistry. Even if you have no idea what it means, you know that you'll be balancing equations at some point during your chemical education. Fortunately, balancing equations isn't all that hard to do. I mean, sure, there are numbers and formulas and stuff,...

### Balancing Equations | The Cavalcade o' Chemistry

When you find difficulty in balancing the equation in the balancing chemical equations worksheet, you can miss it with a fraction of ½ and that will easily balance the equation. But the problem is that you cannot have a fraction for the co-efficient, this is why doubling all coefficients will help you balance the equation.
