The CSN Chemistry Placement Test is provided to allow students to go into Chem 121 without taking the Chem 103 prerequisite. It does not, however, cover the math prerequisite for the class. You can retest after six months.

Placement Testing - CSN

Hi everyone! So I am planning to take the CPT on June 15th in order to skip CHEM100, but I do have a few questions regarding the test itself. I'm aware that the questions are based on basic chemistry (and I do have my older brother's textbook from when he took CHEM100 as study material), but I genuinely don't know what portions of the textbook I should focus on for this test or if I should ...
