I wished that Sabina would have pushed it back against Jung's pressing to include those loads of myths. It is a semi-redundant appendix. This text worths a better look when I finish A Most Dangerous Method. From what I can tell and from how Jung handled Sabina Spielrein altogether, I absolutely have to revise and rethink the power dynamic beneath the whole Animus/Anima thing.

The majority of them have not yet been translated into English. Her two most significant works were her dissertation on schizophrenia, which contributed greatly to understanding the language of schizophrenics, and her second work, "Destruction as the Cause of Coming into Being." The oblivion into which Spielrein has fallen is remarkable.
