Air Compressors from CompAir | By Gardner Denver

Broomwade air compressors became Holman, and then Compair, and now they are a brand of the Gardner Denver corporation. Here's a look at a more modern Broomwade reciprocating compressor (that's what they specialize in) but given that they have been manufacturing them for more than 100 years, and their size varies up to monstrous in cylinder ...

Broomwade Air Compressors

CompAir offers a range of high efficiency heatless and heat regenerative compressed air dryers for the removal of water vapour from a compressed air supply. Adsorption compressed air dryers remove moisture by passing air over a regenerative desiccant material, which attracts and retains the water vapour molecules.
