Many in the 1950s strove for the comfort and conformity depicted on such TV shows as Father Knows Best and Leave It to Beaver. But despite the emerging affluence of the new American middle class, there was poverty, racism, and alienation in America that was rarely depicted on TV. Minorities seemed to be shut out from the emerging American Dream.

Voices against Conformity [ushistory.org]

Capoeira is a unique music-dance-sport-play activity created by African slaves in Brazil, and Candomblé is a hybrid religion combining Catholic and African beliefs and practices. The two are closely interconnected. Capoeira and Candomblé have for centuries made up a coherent form of Brazilian life, despite having been suppressed by the dominant cultures.

Extant research shows that social pressures influence acts of political participation, such as turning out to vote. However, we know less about how conformity pressures affect one's deeply held political values and opinions. Using a discussion-based experiment, we untangle the unique and combined effects of information and social pressure on a political opinion that is highly salient ...

In Virginia in the 1620s, slavery and indentured servitude existed, but there were both white and black servants and slaves. No one was a slave for life; rather, many immigrants to North America agreed to work for a planter for a specific period of time in exchange for their passage to the New World and food and shelter once they arrived.
