CiteSeerX - Document Details (Isaac Councill, Lee Giles, Pradeep Teregowda): Abstract. To realize large-scale socially embedded multiagent systems, this paper proposes a new system design methodology towards society-centered design. We have already developed the scenario description language Q, which describes interaction protocols that link agents to society.

Henry VIII (28 June 1491 – 28 January 1547) was King of England from 1509 until his death in 1547. Henry is best known for his six marriages, and, in particular, his efforts to have his first marriage (to Catherine of Aragon) annulled. His disagreement with Pope Clement VII on the question of such an annulment led Henry to initiate the English Reformation, separating the Church of England ...
