Culture as Given, Culture as Choice, 2nd Edition: Dirk van ...

Culture is a term that refers to a large and diverse set of mostly intangible aspects of social life. According to sociologists, culture consists of the values, beliefs, systems of language, communication, and practices that people share in common and that can be used to define them as a collective. Culture also includes the material objects that are common to that group or society.

Culture - Definition, Discussion and Examples

Culture is the patterns of learned and shared behavior and beliefs of a particular social, ethnic, or age group. It can also be described as the complex whole of collective human beliefs with a structured stage of civilization that can be specific to a nation or time period. Humans in turn use culture to adapt and transform the world they live in.

What is Culture? | Cultural Anthropology

popular culture: The prevailing vernacular culture in any given society, including art, cooking, clothing, entertainment, films, mass media, music, sports, and style; nationalism: The idea of supporting one's country and culture; patriotism.

Culture and Society | Boundless Sociology

Culture was defined earlier as the symbols, language, beliefs, values, and artifacts that are part of any society. As this definition suggests, there are two basic components of culture: ideas and symbols on the one hand and artifacts (material objects) on the other. The first type, called nonmaterial culture, includes the values, beliefs, symbols, and language that define a society.

3.2 The Elements of Culture - Sociology

Culture is an umbrella term which encompasses the social behavior and norms found in human societies, as well as the knowledge, beliefs, arts, laws, customs, capabilities, and habits of the individuals in these groups. Humans acquire culture through the learning processes of enculturation and socialization, which is shown by the diversity of cultures across societies. A cultural norm codifies acceptable conduct in society; it serves as a guideline for behavior, dress, language, and demeanor in a

Culture - Wikipedia
