Dance imagery can be part of every step and movement in dance as well as part of the performance process. One example, Eric Franklin's image of the body as a bouncing ball in the introduction of Dance Imagery for Technique and Performance (pp xii-xiii), is useful in helping with the quality and efficiency of a jumping or bouncing series. Students can use the auditory image of hearing the ball, a kinaesthetic image of feeling like a bouncing ball or a visual image of seeing the ball.
