Death In The Andes Mario

It's easy to see why Llosa is Peru's most famous novelist, and why he earned the Nobel Prize, after finishing Death in the Andes. In the beginning, I didn't like it much. It seemed very dark and overly masculine. A policeman and his assistant are stationed at a remote post in the Andes, charged with rooting out the Shining Path terrorists.

Death in the Andes | Mario Vargas Llosa | Macmillan

Death in the Andes is a crime / murder whodunit of a novel, alright, but one in which the very history and culture of an entire country is the unlikely killer. The novel takes place in Naccos, a far-flung, grim locality somewhere in the Peruvian Andes, tucked away from the demands of modern urban life, where a road is being built on the high Peruvian sierra.
