### Democracy Declassified The Secrecy Dilemma

"Democracy Declassified is a superb book that will transform the debate over how democratic governments work in the national security sphere. Michael Colaresi has used careful theorizing, an outstanding series of deeply informative case studies, and beautifully presented quantitative analysis based on original data to evaluate the balance called for between the demands for transparency in democracies and the need for secrecy.

### Amazon.com: Democracy Declassified: The Secrecy Dilemma in ...

This book illustrates that some, but not all, democracies around the world have innovated institutions that help to resolve this secrecy dilemma. These innovations take advantage of the fact that transparency costs decline over time and include legislative committee powers, freedom of information laws, and press freedom protections that specifically target national security information.

Tag: Democracy Declassified: The Secrecy Dilemma in National Security. How to protect democracy from digital authoritarians' toolbox. DemDigest March 3, 2020 March 3, 2020 .

### Democracy Declassified: The Secrecy Dilemma in National ...

Therefore, democracies face a secrecy dilemma. Secrecy is useful, but once a group or person has the ability to decide what information is concealed from an international competitor, citizens can no longer monitor that information. How then can the public be assured that national security policies are not promoting hidden corruption or incompetence?

### Democracy Declassified: The Secrecy Dilemma in National ...

Democracy Declassified tackles an enduring question of particular current importance: How do democratic governments balance the need for foreign policy secrecy with accountability to the public? Secrecy has national security uses, but it can also be abused.

### Democracy declassified : the secrecy dilemma in national ...

DEMOCRACY DECLASSIFIED THE SECRET DILEMMA IN NATIONAL SECURITY by Michael P. Colaresi · RELEASE DATE: Sept. 2, 2014 A scholarly treatise on the tension between government secrecy related to foreign policy issues and citizens' trust in their government. ...

### DEMOCRACY DECLASSIFIED | Kirkus Reviews

This chapter introduces the secrecy dilemma and the tension between the necessity of national security secrecy and public consent in democracies. Recent events such as the Edward Snowden and Wikileaks disclosures have highlighted a continuing debate between those that value executive secrecy and others that argue for greater transparency.

### Introduction - Oxford Scholarship

In the fall of 2015, the head of Air Force intelligence got an odd pitch from a supposed deep cover operative. The man said he was going undercover at various companies to ferret out would-be ...
