### Disciplinary Identities Individuality And Community

To facilitate his discussion of disciplinary identities (individuality as it relates to community in academic discourse) the author surveys a wide sample of academic writing. Certainly the arduous process of writing, so emblematic of intellectual effort, seems especially germane to the knowledge-creating enterprise that occupies academic communities.

### Disciplinary Identities: Individuality and Community in ...

An engaging, advanced-level introduction to the emerging field of discourse studies of identity, with particular reference to academic contexts. Disciplinary Identities uses findings from corpus research to present fascinating insights into the relationship between author identity and disciplinarity in academic writing.

### Ken Hyland - Wikipedia

Stance and voice are two crucial elements of social interactions in academic writing. However, their conceptual constructs are elusive and their linguistic realisation is not fully explored. A relatively overlooked feature is the "noun + that" structure, where a stance head noun takes a nominal complement clause (as advantage that in Flow cytometry offers the advantage that long term is ...
