### Dreams That Turn Over A

In Dreams That Turn Over a Page, the author discusses a particular type of dream that comes after a phase in analysis where integration has taken place. Accompanied by anxiety and fear, which seem surprising as the dream follows a phase of integrative work in the analysis, these dreams are in fact a mark of progression as they indicate a capacity to own anxiety.

I was delighted to read Jean-Michel Quinodoz's paper on " dreams that turn over a page", as well as the lively internet discussion so well summarised by Paul Williams. However, I do not agree with the statement that 'Study of the literature yields no description that matches the type of dream Quinodoz discusses' (p. 847).

"When I was young, maybe between the ages of six to 10 years old, I used to have a recurring character in my dreams. She was an old witch, bent over, gnarled, always wearing a velvet back cape and ...

### 13 Recurring Dreams And What They Actually Mean

Experts know that dreams happen during REM sleep, the period of sleep when your brain is highly active. But they still can't say for sure why we dream. Or just as important, what influences whether our dreams are chill and happy (riding a horse on the beach—woohoo!) or strange and scary (running from a threatening figure through the woods ...
