### Max Horkheimer - Eclipse of Reason | J D Clough

Max Horkheimer was a German philosopher and sociologist who was famous for his work in critical theory as a member of the Frankfurt School of social research. Horkheimer addressed authoritarianism, militarism, economic disruption, environmental crisis, and the poverty of mass culture using the philosophy of history as a framework. This became the foundation of critical theory. His most important works include Eclipse of Reason, Between Philosophy and Social Science and, in collaboration with The
