English Across The Curriculum World

Across the Curriculum: Across the World. Woolfs, Blanche. This paper discusses changes at the American Association of School Librarians (AASL) and suggests changes in the role of the school librarian, by way of a shift from a traditional helping role to a leadership role. Because librarians have knowledge of the whole curriculum, they are in a unique position to lead the way for teachers and to help them integrate learning across the curriculum.

Performance in learning outcomes is inextricably linked to proficiency in the language of learning and teaching (LoLT) and utility. A large body of research from various studies and surveys such as ANA, SACMEQ, PIRLS and TIMSS and NSC provide abundant evidence in this regard. The DBE introduces the teaching English Across the Curriculum as a means of strengthening LoLT from Grade 1 to Grade 12, thus addressing the barrier factor and mitigating the negative impact the withdrawal of the ...
