Ethics and Law: An Introduction (Cambridge Applied Ethics ...

Ethics and laws are found in virtually all spheres of society. They govern actions of individuals around the world on a daily basis. They often work hand-in-hand to ensure that citizens act in a certain manner, and likewise coordinate efforts to protect the health, safety and welfare of the public. Though law often embodies ethical principals, law and ethics are not co-extensive.

Ethics and Law by W. Bradley Wendel

Ethics is the reasonable obligation for us to refrain from hurting others, and sometimes an obligation to help others. Living ethically also requires the continuous effort of studying our own beliefs and conduct, and striving to ensure that we, and the institutions we help to shape, live up to standards that are reasonable and evidence-based.

What is Ethics? | Introduction to Ethics

Law is created with an intent to maintain social order and peace in the society and provide protection to all the citizens. Ethics are made to help people to decide what is right or wrong and how to act. Binding. Law has a legal binding. Ethics do not have a binding nature.
