Online Betting Guide (OLBG) : GamblersPost

Odd/even bets are known for being quite difficult to predict as even though you are always one goal away from winning your bet, you are also always one goal away from losing your bet. Odd even goal odds will usually stand at around 1.9 which gives betting sites a slight advantage, however, as mentioned earlier, by doing statistical research, it is possible to notice some important trends.

Odd Even Goals Meaning: Tips Strategy Statistics Predictions

man o bong's betting blog. I can not even begin to estimate the time and effort I have put in over the years in trying to find a "Golden Egg" system to beat the odds in Horse Racing. Even as I type this piece, I have a piece of software running in the background on this very laptop, collating thousands of bits (or is it Bytes?), of information from every Nursery run in the month of September ...

The Best Horse Racing Betting System Ever. Can it ... - OLBG

Good thinking Micko - but to get to 1.1 is hard on alot of matches, normally 1.06 or 1.07 even as low as 1.02, maybe you could just pick the lowest prices per day as they are more likely to have goals in them and maybe you could pick 2-3 teams a day or you could bet at 1.1 and hope there isnt an early goal and your bet gets matched, either way ...

Turning £10 into a small fortune within 3 months - OLBG

Odd or even goals betting is where you will be betting on if the amount of goals that a match produces is an even or odd number, simply by adding them together. Odd or even goals bets is something relatively new that bookmakers have started to offer to their customers and it is becoming increasingly popular among bettors because of the good odds it provides.

Odd or Even Goals Betting - Betting Information

You could, for instance, bet on the precise number of goals scored in a game, or if you are confident that you have a handle on a certain team's goal scoring abilities, you can bet on Total Goals Per Team, either in the Over/Under format or the final number of goals. There is also the option of betting on Total Goals scored in each half, though this is a particularly tricky
