**Development Berk**

Berk makes the study of human development both involving and pleasurable for students. Exploring Lifespan Development is written in an engaging, personal style — one that is highly accessible — and contains real-life human-interest stories. The author encourages students to relate what they read to their own lives.

What Reviewers Are Saying...“ [This text] is not only the best textbook in the field of human development but the single best textbook I have ever reviewed. It is thorough, research-based, theoretically sound, engaging, interesting, personable and compassionate in tone.....a very rare set of qualities..”.
