Falling in love and maintaining that passion is never an easy venture. And never is that truer than for empaths. It is difficult for anyone to know whether the person they're dating is 'The One' and whether the relationship will work out. Empaths can be some of the most loving people because they have such a massive capacity for love.

Empaths and Love: Who Should An Empath Fall In Love With?

Falling in love is a complicated human ability, including conscious and subconscious forces at work. Although we can chalk up falling in love with chemistry and attraction (pheromones, biology and such), there are much deeper reasons for why humans strive to attain love.
