Feminism with Men asserts that it is not necessary to experience the world as a woman in order to develop a feminist understanding or to hold a feminist vision for the future. Patriarchy harms both men and women, although in different ways, while feminism offers an ideology for creating a more meaningful and life-affirming way of being in the world.

Feminism With Men Bridging The Gender Gap Hardback

Although feminist consciousness is strongly correlated with liberal values and policy preferences, this correlation works similarly for women and men (Cook and Wilcox 1991). Moreover, few studies ...

(PDF) Feminism and the Gender Gap—A Second Look

Furthermore, feminism is inherently pro-men. Feminists challenge the belief that men are unable to control their sexual desires. They challenge the expectation placed on men to be stoic and ...

Face off: Should feminism focus more on men's rights? - YP ...

Yes, Feminism Helps Men, Too. I know in reading the above examples, some of you may think they're just coincidences — like while women fight for their rights they just happen to also benefit men. They're not doing it on purpose. They're still all about helping women. Well, feminism isn't just coincidentally benefiting men. Those feminists who fought to include men in the legal definition of rape were pointing out that men can be victims of sexual violence as well — not just women.

A Guy's Guide to Feminism: How Feminism Helps Men, Too ...

Bridging The Gap Between Black And White Feminism. This post originally appeared on The Cut. In the '60s and '70s, the civil-rights movement and feminism didn't always see eye to eye, but Gloria Steinem and the lawyer and black-power leader Flo Kennedy formed a powerful partnership. Last night at the Schomburg Center for Research in Black Culture, Steinem spoke with Sherie M. Randolph, associate professor of history and African-American studies at the University of Michigan and author ...

Table of Contents: The feminism of uncertainty

If women 'need to need men less in order to enjoy them more' (Greer), then 'male feminism' may be equivalent to ignorant sabotage. But every third wave feminist must have asked whether social and sexual change requires men to be more than pro-feminists.

'You're Not One of Those Boring Masculinists, Are You ...

In fact, most feminists were largely considered to be "anti-men" activists and so wrongly labeled as being gay, an accusation that hurt second-wave feminists. They felt it was a negative stereotype and so ignored the female members of the LGBT community along with their rights and issues, in order to distance themselves from any negative association.
