Dear Mr Blueberry

You must include your regards and best

wishes in this paragraph. It should

match with the overall tone of the letter

and should be lighter in tone than the

rest of the content. You must encourage

the reader to write back and end it on a

happy and positive note.

The contents of your letter should be written in a personal and friendly tone. However, it's important to adjust your use of language to the person you are writing to. A good way of assessing how you should write is to think about how you would interact with the person you are writing to in real life.
