### Government Of India Law

Laws of India refers to the system of law across the Indian nation. India maintains a hybrid legal system with a mixture of civil, common law and customary, Islamic ethics, or religious law within the legal framework inherited from the colonial era and various legislation first introduced by the British are still in effect in modified forms today. Since the drafting of the Indian Constitution, Indian laws also adhere to the United Nations guidelines on human rights law and the environmental law.

### Law of India - Wikipedia

Ministry of Law and Justice was established in 1833, making it the oldest limb of the Government. It has three departments working under it which deal with legal affairs, legislation and justice respectively.
