The biggest strength of Hard Choices is the diplomatically critical tone throughout the writing. The style is moderate and objective without being too inaccessible to the general reader with an interest in Singapore's politics and/or policies.

### **Hard Choices: Challenging the Singapore Consensus ...**

Hard Choices is a collection of essays that examines Singapore's socioeconomic status and policies. Its central argument is that Singapore should ditch her aversion to social welfare, and offer more redistributive policies in light of the widening income inequality and aging population. The first few essays were a major turn-off.

Increasingly, Singapore's policymakers have to make hard choices—where there are winners and losers—and not just remind themselves of the hard truths that have enabled independent Singapore to succeed in its first 40 years. Indeed, as the essays in this book try to show, there is a wide range of credible policy and political alternatives that could and should be considered.

## **Introduction - Hard Choices: Challenging the Singapore ...**

"In a brilliant new book about their country, *Hard Choices: Challenging the Singapore Consensus*, Donald Low and Sudhir Vadaketh dare something few Singaporeans attempt: they question this orthodox view of Singapore and ask how fit for the future their country is. In doing so, they do something infinitely more subtle and profound than identify weaknesses in national policy; they implicitly question many of the central assumptions on which all developed nations today are pinning their hopes ...
