Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

### How To Win In Commercial

Step 7: WHEN YOU WIN YOUR FIRST COMMERCIAL. When you win your first commercial, understand that this is a stepping stone to winning your second commercial. Celebrate but take a moment to realize the steps that it took to get that first commercial and repeat those same steps to win the second commercial. Think ahead of the game.
