A keyboard is one of the best instruments for toddlers because it plays a huge range of notes, which lets little ones really explore what music sounds like. If you don't have a piano (or don't want your toddler pounding on yours), pick up an inexpensive electronic keyboard until she's old enough to tickle the ivories more gently.

Toddler Music Instruments - Walmart.com

Family engagement during the first years of life can support an infant's or toddler's readiness for school and ongoing academic and lifelong success. Research shows that when children have involved parents, the results are very positive, especially over the long term (A New Wave of Evidence, 2002).
