International Relations A Very Short

The book really should have been titled "A very short (and occasionally tedious) overview of what Paul Wilkinson knows of International Relations". But, of course, few would buy such a book. What are Wilkinson's sins?

Amazon.com: International Relations: A Very Short ...

This Very Short Introduction untangles this complex world, providing an accessible framework for understanding the contours of global political change. Christian Reus-Smit treats theory as an indispensable tool for grasping international relations, but demystifies theorizing, introducing it as an everyday human practice.

International Law: A Very Short Introduction (Very Short Introductions series) by Vaughan Lowe. Interest in international law has increased greatly over the past decade, largely because of its central place in discussions such as the Iraq War and Guantanamo, the World Trade Organisation, the anti-capitalist movement, the Kyoto Convention on climate change, and the apparent failure of the international system to deal with the situations in Palestine and Darfur, and the plights of refugees and ...
